Academic age / career interruptions

To calculate my academic age one may wish to deduct **8.5** years from my biological age (born 1976), due to:

(a) non-academic employment after my Master degree and before the start of the doctorate (2000-2004: 4 years at 100%);

(b) political activity in elected office and volunteering in associations (for the common good, or so I claim; 2004-2013: 9 years at 30%, i.e. a total of 3 years);

(c) child care duties (three children, born 2012, 2014 and 2016; a total of approx. 1.5 years).
